Presented to you by:
Sarah Rasmussen, MSW

We Will Meet Virtually
Every Tuesday for 10-Weeks
Oct 8th - Dec 10th | 12:00-1:30 PM (MDT)

We believe parents are the rightful healers for their children!

C-P-R Therapy (also called Filial Therapy) is a research-based course that teaches parents how to use some of the same skills that play therapists use to help children experiencing social, emotional, or behavioral difficulties. It is designed to help parents with children between the ages of 2-12.

Research shows that motivated parents can be as effective as a professional in helping their child.

By the end of this course, you will have learned the same skills that play therapists learn in a semester long class!

Cost is \$450 for the complete course
